

RECORDING & UPLOADING

UPLOAD videos and photographs to your social media network and use the tags:
#videothevote
#govote

SAVE your Footage!

Save your source footage after you upload.
It may be used as evidence in court.

Name files: state_city_
lastname_clipNo_#videothevote_#govote
Example:
ohio_colu_jones_clip2_#videothevote_#govote

EXPORT Best Practices:

- Length: 30 sec to 3 min
- Try to shoot only relative content so you do not have to edit
- Export or compress your clips using Web Quality presets
- Export a .mov or .wmv
- Frame rate: 29.97
- Audio: 44kHz, 16bit; Mono
- Data Rate: 2.1Mb/ 2000 Kbit/sec

<http://www.videothevote.org/upload.html>

- 1) Enter the same email address you registered to VtV with
- 2) Complete out the submission form - select the most appropriate type of problem. If necessary, add your own unique 'tags' (keywords)
- 3) Click the 'Browse' button, then select the clip you wish to open
- 4) Click 'Submit' to upload the file
- 5) Allow time for upload
